单选 (1分)

You are trying hard to follow a complicated argument from a fellow student, but he/she is using technical terminology you have never heard before. Which of the following expressions do you think is INAPPROPRIATE to help you in the situation?

A. Excuse me, could you explain the technical terms you've just used?

B. I'm afraid that would be too late for me to understand you if I don't know the technical terms.

C. What you are talking about is really difficult for me to understand.

D. If I might interrupt for a moment, it's just that I couldn't understand the technical terms you've used.

单选 (1分)

You are distracted because you have just remembered something important you have forgotten to say. You realize that people are looking at you, but you have no idea of what has just been said. Which of the following expressions do you think is INAPPROPRIATE to help you in the situation?

A. Perhaps I didn't make my points complete. There is another very important point I'd like to illustrate.

B. Before we move to the next point, may I check your understanding of what I just said?

C. Sorry I forgot something important here, let me think for a while.

D. I'd just like to add one more point that
